

Why should you get involved?

A voluntary service or an internship is a time spent abroad that

- enriches you **interculturally and interpersonally** as you spend time discovering new places in Europe and meet new people
- helps you to grow and become more **independent and confident** as a person
- helps you to develop **professional and soft skills** and gives you better chances on the labour market
- helps you to improve your **language skills**
- helps you to make **decisions about your future**

Other activities

Easy mobil” - Partnership project to boost mobility for students with special needs

Perfect Match – Transfer of Innovation project aiming to develop tools which helps the students, professionals to achieve high quality mobility experiences

GIB8! – Transfer of Innovation project to prepare a handbook of practical and innovative teaching materials to promote healthy lifestyle, diet among youth
